

REESIE MARACICH

Hello! My name is Reesie Maracich. I am excited to work with such extraordinary people and fill my role as K4 teacher on the kindergarten hallway. I am originally from Camden, SC and have been living in Greenville since 2017. We moved here shortly after my husband got transferred with his job. I have two children, Masey and Ford, who both attend John Knox. I come with 6 years of teaching experience. I taught kindergarten for 4 years in Columbia and for 2 years at Monarch Elementary in Five Forks after moving to Greenville. Teaching is an absolute passion for me. I love everything about the profession. I look forward to a wonderful year and to meeting all of you and your beautiful children!
