## TONYA HAYNES

Hello! My name is Tonya Haynes. I have spent more than 20 years working with different age groups, and I joined the staff here at JKK in 2016. I've been married to my husband, Marc, for over 7 years. I have an awesome son, Spencer, who I raised as a single mom until I married Marc. I am also a rescue mom to my dog, Tizzy. In my spare time, I love to do word & trivia games and window shop on Amazon. When college basketball season rolls around, you'll find me cheering my Tarheels to victory.
