BRENDA KELLEY

Hello! My name is Brenda Kelley. My husband, Paul, and I have been married for 18 years. We have two children and two grandsons. I enjoy planting flowers outside and potting plants inside. My family and I love football, music, and anything/anywhere near water. I love animals and have 3 dogs and a bird. I also love, and have a bit of an obsession with, sugar free vanilla lattes. I've taught preschoolers for over 10 years and joined the JKK staff in 2020. I can't wait to meet you and your child, and I look forward to another exciting year together!
