

## SUSAN BOSWELL

Hello! My name is Susan Boswell. I started at John Knox in 2014 as a substitute. I quickly realized I wanted to be with the kids more and became a 2K teacher, which I did for 5 years. I graduated from the University of South Carolina. I grew up in and was married here at John Knox. I have been married to my husband Charlie for 32 years and we have two children, Madison and Chase. I love shopping, cooking, working out, and spending time at the lake & beach with family and friends as well as babysitting my 2 grand-dogs!
