

## BETTE BRITT

Hello! My name is Bette Britt. I have been a member of John Knox Presbyterian Church since 1997. I have served on the Rotation Model Sunday School as well as the Youth Ministry team. I have worked with the youth for over a decade and served as an elder of the church. I have also been a part of the JKK Staff for over 20 years. I believe every child needs to play, learn, and respect each other. What better place to learn than John Knox Kindergarten where Christian learning is nurtured throughout each classroom?
