

## ANN WOOLSTON

Hello! My name is Ann Woolston and I love John Knox Kindergarten and PDO! I am a Greenville native. I graduated from Greenville High (go Red Raiders!) and then went on to Presbyterian College in Clinton, SC. I got married, had two boys, and lived in the pine forest of lower Greenwood County on an old family home place. I worked as a teacher and a laboratory technologist. In the blink of an eye, my boys were grown, retirement loomed, and a move back to the BIG CITY of Greenville took place. I quickly realized that I was NOT suited for retirement, and thankfully John Knox came into my life! I started working at JKK/PDO in February of 2019 as a substitute with regular afternoon hours on the PDO hall. I remain committed to the high standards of loving care that John Knox embraces, and I will continue to work in close communication with our families. I am looking forward to our new year with excitement!
