

SOPHIE LAURENT

Hello! My name is Sophie Laurent. I am a French citizen, and I have lived in the US with my family since 2018. I have three sons, Antone, Milan, and Isaac. After studying Psychology, I worked for thirteen years with preschool and elementary kids in France. I joined the John Knox staff in 2019 as a floater/teacher. I am pleased to continue to work at JKK, and I am really excited to take care of your precious babies. My mission is to ensure the well-being of your babies, to accompany them throughout the day, and to set up activities conducive to the development of your children respecting their own needs and routine. I'm looking forward to meeting all of you!
